

2010 Timetable Information

1st Year

The first year timetable will be finalised in February around 2 weeks prior to the commencement of semester 1. Once all new student enrolments have been received, SNM will automatically allocate students by their surnames into tutorial groups. There will be three tutorial groups and maximum of 25 students per group. Once the timetable and tutorial group allocation are finalised, SNM will post this information on www.snm.utas.edu.au You will also receive a copy of the timetable when you attend orientation session on 15th February.

As a guide, please allow three days per week between 9am – 5pm for classes.

Please do not contact the School with regards to timetable requests. You will have the opportunity to organize a body for body swap if you are unhappy with your tutorial group allocation, on the orientation day.

2nd Year

You will be allocated to same tutorial group for 2010 unless the numbers of the enrolments are varied from the year before. Approximately 2 weeks prior to the commencement of semester 1, you will receive your tutorial group list and timetable via your UTas student email.

As a guide, please allow four days per week between 9am – 5pm for classes.

Please do not contact the School with regards to timetable requests. You will have the opportunity to organize a body for body swap if you are unhappy with your tutorial group allocation, upon the start of semester 1.

Once released, the timetables and tutorial group list will be available on the School of Nursing & Midwifery website.
